Be Prepared for Severe Weather

The City of Lakeville has been recognized as a Weather-Ready Nation Ambassador by the National Oceanic and Atmospheric Administration (NOAA). This initiative recognizes NOAA partners who are improving the nation's readiness against extreme weather, water and climate events.

Here are some tips for staying safe from various severe weather dangers in the upcoming months.

Staying safe in the heat

- Limit outdoor activities.
- Drink plenty of water.
- Avoid alcohol.
- Wear light clothing.
- Wear sunscreen.
- Work outdoors early or very late in the day.

Lightning and thunder

- When you hear thunder, go indoors.
- Seek shelter in an enclosed building or car (with the windows up).
- Wait at least 30 minutes after hearing thunder to return outside.

- Lightning fatalities for outdoor sports include soccer (40%), golf (27%), running (17%), baseball (10%).

Severe thunderstorm watch

- A severe thunderstorm watch means be prepared—damaging winds and large hail are possible.
- Have a way to receive weather warnings.
- Check for forecast updates.
- Have a shelter planned.

Severe thunderstorm warning

- A severe thunderstorm warning means take action—damaging winds and large hail are expected.
- Take shelter indoors immediately.
- Use caution while driving.
- Check forecast updates.

Tornado safety—know where to go

- No place outside is safe from a tornado.
- Move indoors to your basement and bring an emergency supply kit.
- If you have no basement, move to an interior room with no windows.
- Top floor rooms **do not** protect you.
- Exterior rooms and rooms with windows **do not** protect you.

The City of Lakeville performs outdoor siren testing on the first Wednesday of each month at 1 p.m. If you notice a siren in your neighborhood is not sounding, contact us at 952-985-4400 to report it.

Summer Parent-Child Pottery Classes Available at the Lakeville Area Arts Center

STAFF UPDATES

Planning

Just after the City Council approved the Spirit of Brandtjen Farm (SBF) 19th Addition final plat of 44 single-family lots, SBF Development Corporation submitted a final plat application and plans for SBF 20th Addition, which consists of 62 single-family lots located east of Eagleview Drive and south of 162nd Street.

A final plat application and plans were submitted by Beehive Homes for Heritage Commons 7th Addition, which consists of one lot for the construction of a 20-unit senior memory care facility in the southeast quadrant of Iberia Avenue and Heritage Drive.

Public Works

The Kenrick Avenue Improvement Project is scheduled to begin on Monday, June 4. The project will reconstruct 1.5 miles of Kenrick Avenue, from approximately 173rd Street to north of the City limits. For more information go to lakevillemn.gov and click on the blue City Projects button.

Streets Division

The Streets Division continued with its spring street sweeping last week and is approximately 70 percent complete.

Utilities Division

The Utilities Division completed 1,497 Gopher State One Call locates in May and has completed 692 water meter replacements so far in 2018.

Forestry

The City Forester began preparing for the ash tree injection program with the contractor, Rainbow Treecare.
