ANNOUNCEMENTS

Open House: County Road 70 Expansion Project

Monday, June 10 from 4:30-6:30 p.m.

Lakeville South High School
21135 Jacquard Avenue

Dakota County and the City of Lakeville invite the public to attend a County Road 70 Expansion Project open house to review the final improvements, layout and provide input on construction staging. The expansion, which will occur in 2020-2021, will add capacity to this major truck and business area and reduce traffic delays. For more information, go to countyroad70expansion.com.

Minnesota Mermaid will provide paddle board rental and classes at Antlers Park Beach this year. For more information, go to mnmermaid.com or call them at 612-849-9996.

Are You Familiar With Lakeville City Codes?

The Lakeville City Code is a key resource for residents to find the necessary information to stay in compliance with local regulations. This code applies to all Lakeville residents, but not everyone is aware of the details of the City Code. Here are a few reminders of common City regulations to keep in mind this upcoming summer season.

City Code 4-1-3: Length of Weeds and Grass

Weeds or grass in excess of eight inches in length, on any lot less than one acre in size that has a building constructed on it, is a public nuisance and is prohibited.

After giving the owner or occupant of a lot not-in-compliance with the length limitation for grass and weeds seven days advance written notice of the noncompliance, the City may cut the grass and weeds and may assess the cost against the property owner in accordance with state law.

City Code 7-1-4-5: Beverages and Containers in City Parks

No person may possess or consume alcoholic beverages within City parks, except for beer and wine. Glass containers are prohibited in all City parks.

City Code 8-4-3: Open Burning/Recreational Fire Requirements

A recreational fire is subject to the following requirements:

- A recreational fire cannot be more than three feet in diameter and is not permitted when a burning ban or air quality alert is in effect.

- The recreational fire site shall have appropriate communication and fire suppression equipment available.
- The recreational fire shall be attended to at all times by an adult. No fire may ever be allowed to smolder.
- The recreational fire must be a minimum of 10 feet from property lines.
- A recreational fire is not allowed if winds exceed 15 miles per hour.
- Smoke from a recreational fire may not unreasonably impact neighboring property owners.

City Code Chapter 22: Outdoor Storage

No more than two licensed and operable recreational vehicles and equipment may be parked or stored on property outside a building. "Recreational vehicle" includes, but is not limited to, operable and licensed travel trailers, chassis mounted campers, motor homes, tent trailers, slide-in campers, airplanes, converted buses, snowmobiles and trailers, boats/watercraft and trailers, all-terrain vehicles, motorcycles and utility trailers. Recreational vehicles stored or kept on a trailer are considered as one recreational vehicle. The area on which the recreational vehicle and equipment are stored must be surfaced with asphalt, concrete or paving brick. No gravel or uncovered ground may be used for RV parking.

You can find the entire City Code on our website at lakevillemn.gov. Click on the blue City Code icon on the left.

Sponsor the Lakeville Area Arts Center Art Walk Program

The Lakeville Area Arts Center has completed Phase 1 of an outdoor Art Walk, designed to highlight sculptural art, accessible to visitors year-round. Phase 1 of the project included new sidewalks, landscaping and lighting.

Phase 2 of the project will expand access to outdoor art through the addition of benches, wayfinding signs, shade trees and commissioned artwork. Become part of this beautiful lasting display by honoring

someone special or simply showing your community that you support the arts!

To download a sponsorship form, go to lakevilleartscenterfriends.org.

STAFF UPDATE

Public Works/Engineering Division

Private utility relocations near the Dodd Boulevard and Flagstaff Avenue roundabout project are underway. Roadway construction and closures will begin on June 10, after the end of the school year.

Streets Division

Staff is receiving many calls for pothole patching. Crews are placing approximately 24 tons of mix per day. While street sweeping has been completed in 19 of the 24 routes in the City, this process has been put on hold until crews are caught up on pothole repairs.

Lakeville Area Arts Center

Programming has been finalized for the 2019/2020 playbill, which will be mailed to residents in mid-June.

Follow Lakeville's Dog and Leash Ordinances

All dog owners are asked to follow the City of Lakeville's dog and leash ordinances.

Cleaning up litter (Ord. 5-1-17)

Any person walking a dog is responsible for cleaning up after the animal and disposing of the waste in a sanitary manner.

Control of dogs (Ord. 5-1-9)

Dogs must be on a leash anytime they are off their owner's property.* This includes neighborhoods, trails and all City parks (with the exception of the Ritter Farm Park off-leash dog park). At Ritter Farm Park, dogs must be kept at the owner's side at all times to protect wildlife and vegetation.

*Verifiable good citizen designation or an electronic collar are the only leash ordinance exceptions.
