Go to lakevillemn.gov to apply online.

Second Round of City of Lakeville Small Business Emergency Grant Program Announced

To provide emergency assistance to small local businesses in Lakeville adversely impacted by the COVID-19 pandemic, the City of Lakeville Small Business Emergency Grant Program will provide a second round of grants of up to \$10,000 to small businesses most in need of support.

The Grant Program will be administered by the City of Lakeville Community & Economic Development Department. Grant funds will be distributed until the program allocation is exhausted, up to \$400,000.

If applications exceed the funding available, grant recipients will be selected on a first-come, first-served basis. Staff will notify approved grant applicants via email within 10 business days to request supporting business documentation.

Providing this support will increase the capacity of small businesses with a physical location in Lakeville to survive the current crisis and will help prevent potential future blight scenarios. These grant funds can be used to ensure a business can afford to operate while maintaining the social distancing guidelines for the safety of its employees and customers.

Terms

- Up to \$10,000 grant based on economic injury from COVID-19 related eligible expenses.

- Funds can be used for operating expenses, including payroll, rent payments, mortgage payments, utilities, payments to suppliers or other critical business expenses (including expenses related to reopening and personal protective equipment) as approved by the fund administrator.

Eligible Businesses

Businesses must meet all of the following criteria as of March 1, 2020 to be eligible:

- Must be a Minnesota majority owned and operated for-profit business with a physical establishment in the City of Lakeville.
- Must have no more than 50 full-time equivalent (FTE) employees.
- Must have been operating since December 1, 2019.
- Must be licensed, in good standing with the state, county and city, current on property taxes.
- Must demonstrate a significant loss in revenue since March 15 (no credit score or collateral requirements apply).

You must apply using our online application.

The application is available at lakevillemn.gov now through September 30, 2020.

To see the complete program guidelines, go to lakevillemn.gov. If you have additional questions, contact Kati Bachmayer, Economic Development Coordinator, at kbachmayer@lakevillemn.gov or 952-985-4425.

STAFF UPDATES

Street Maintenance Division

Crews have been mowing ditches and boulevards, spraying weeds and grass along the curb lines, patching streets, repairing catch basins and installing new traffic signs in street reconstruction project areas.

Forestry Division

The City Forester is preparing for Lakeville's new Green Corps member, who will begin working with the City at the end of September.

Engineering Division

The project team for the 2022 reconstruction of Dodd Boulevard and construction of the new County Road 9 (179th Street) is reviewing feedback gathered during a recent virtual open house. A summary will be provided soon on the project website at DoddBlvdCR9.com.

Lakeville Public Safety Foundation Announces Firefighter and Police Officer of the Year

The Lakeville Public Safety Foundation (LPSF) has announced this year's Firefighter and Police Officer of the Year.

Firefighter of the Year: Tom Ness

Police Officer of the Year: Casey King

While normally announced at their annual banquet, which was canceled this year due to COVID-19, the LPSF named the award winners this year on 9/11 while also giving gift baskets to Lakeville's firefighters and police officers to thank them for their service to the community.

While their jobs are always considered to be part of a team effort, both individuals feel honored and supported by these awards. Congratulations!
